System Overview

Adding further to your security and ensuring that you are safe all the time have been the reasons behind the introduction of the ezyKam+ Series by CP PLUS. The wide range of attractive cameras in the ezyKam+ Series are easy to install as they don't require any wiring and function as Wi-Fi based plug and play surveillance devices with 3MP view. These cameras are revolutionizing the way surveillance is conducted in retail stores, homes, offices, hospitals, warehouses, etc because of its 355° view.

CTC Technology

CP PLUS Trusted Core Technology is a multi-layered security architecture that brings together the best of cyber security practices and technological intelligence. It is not just an enhancement; it is a complete redefinition of how surveillance should function in today's digital landscape - more intelligent, more secure, and more reliable than ever before.

3MP Wi-Fi PT Camera - 15 Mtr.

Functions

Wi-Fi Support

To eliminate the hassle of cables and switches, this camera has been Wi-Fi enabled which makes it easier and better to conduct surveillance of any closed space.

Nothing will be missed

This camera has been designed to catch everything in a room as it can be revolved completely to 355°, making it easier to just turn it or place it in any direction that requires more attention.

Motion Alert

Motion Alert technology allows you to get immediate alerts as soon a single motion is detected in the scene. This feature has reduced the effort put in surveillance by copious amounts and has eased the life of millions.

View and Talk

The most advanced feature of this surveillance device is that it can also be used as a gadget to interact with people when you are not in the same place without even having to place a call.

About CP PLUS

The brand that is on its way to lead the world when it comes to the security and surveillance industry, CP PLUS, keeps bombarding the market with the most reliable range of products that have been designed carefully and methodically to automate the whole surveillance and security process, no matter how big your premises are.

It was the initiative to help the public in the area where they are the most vulnerable and to empower the sense of safety in our hearts that had conceptualized CP PLUS. And embarking on its mission to make the world a safer and more secure place has taken the brand's journey to unprecedented levels even when compared to international competitors.
